Re: Asking Abel, Part V: Three Perceptions of The House of Yahweh, Abilene, Inc.

Shalom Pastor Yisrayl Hawkins:

“For nothing is secret, that will not be made manifest; neither *anything* hidden, that will not be **made known** and **brought to light**.” (Luke 8:17)

The purpose of this letter is to **make known** and **bring to light**:

- **Three basic perceptions** of The House of Yahweh, Abilene, TX Inc. Namely, how the House is viewed by its members, both past and present, as well as by those who have never been in the House;
- The shocking similarities between Buffalo Bill Hawkins and Vernon Wayne Howell, both of whom changed their names—one to Yisrayl Hawkins and the other to David Koresh—**taking on the false modern day identity of ancient Cyrus, the anointed Messiah**;
- How you have transformed The House of Yahweh into a Mind-Manipulating, Slave-Infested, Moneymaking, Women-Abusing **CULT**;
- After twenty years, you’re slowing down, because sooner or later the deceiver runs out of game, and is found out.

How is our “Messiah” and “King” doing these days? Until you denounce these pronouncements by your elders, you are in agreement with your new additional titles.

Before I get on with this writing, I’d like you to know that our mailing list is ever increasing, as we are providing more truthful answers for those who want to see a **thus says Yahweh**. They are sending us postage stamps and letters urging us to continue speaking out against the tyranny and oppression suffered at your hands. Some brethren have actually sent us unsolicited funds to help defray the costs of our growing effort to expose the inner workings of your House of Yahweh Money Making Machine (**HOY**

MMM). Praise Yahweh!

In response to the statement in your recent **“BEWARE! They Are Out To Get You”** newsletter, regarding Abraham giving a tenth to Yahweh without an existing Levitical priesthood. It is true that there was no Levitical priesthood at that time. Abraham, however, brought one tenth to Yahweh in fulfillment of the vow he made to Yahweh, that if Yahweh would make him victorious in battle, he would give Him one tenth of the **spoil**. Abraham kept his vow by bringing Yahweh’s portion to his priest and representative, Melchizedek. Once again, the scriptures tell us that titheable increase was the produce from the ground, and offspring from the flocks, herds, fowl, fish, etc., not money. This tithe was presented as food and drink offerings to the true priests of Yahweh and the Levites who served in the temple—with the priests washing their hands and feet before receiving it.

Also, a growing number of brethren, moved with compassion, are sending much needed funds to our beloved sister, Gudayah Miriam Hawkins (Marja Adelbert), who resides at 1051 E. Orange Grove, Burbank, CA 91501. For anyone reading this letter, and would like to help this **victim** of the **HOY MMM**, your reward will be much greater than that of contributing to a fraudulent so-called Work of Yahweh called **The Peaceful Solution**. And by so doing, you exhibit “religion that is pure and undefiled before Yahweh our Father” (**Yaaqob 1:27**).

In my last letter to you, Pastor, I referred to some of my beloved sisters and brothers in the House as “suckers.” I take this moment to retract that statement in acknowledgment of the fact that they are merely **innocent victims** of one who hates them, lies to them, deceives them, steals from them, and manipulates them in a very complex and brutal web of **thought-reform techniques** (mind control). There are **three basic perceptions** of The House of Yahweh, Abilene, TX Inc. The third perception—the least critical and least complex of all—is that of the outside community. To the vast majority of human beings on earth, the House of Yahweh, Abilene, TX Inc. is almost nonexistent and almost totally without any influence in the local community, the State of Texas, the United States, and certainly unknown in the world. We know that Deaconess Riyyah Schneider (Elder Shaul’s first wife) used to send your payment checks to the woman in Israel to pay for photographs of you shaking hands with alleged Israeli diplomats and religious leaders.

The two more critical perceptions of The House of Yahweh, Abilene, TX Inc. are those **HOY members, both past and present**. Let’s begin with those who presently comprise the **HOY MMM**. They see you as Yahweh’s last remaining witness, prophet, messiah, king, and savior. They think you are their ticket to the Kingdom of Yahweh, so they close their eyes to all of the unanswered questions and make excuses for your profane conduct. After all, **you say** you are the witness! How much can an intelligent man or woman stomach before they have to admit that they are being raped?

Since my unlawful expulsion—for which I am thoroughly thankful to Yahweh—I’ve had to

face the reality that befalls everyone who walks away on his or her own, or who is booted out before making the only right decision. That is, the decision to turn from your HOY! And, then having to cope with the sudden discovery of a sustained ten year reaming by the “smartest man in the world.” Having played the loser in the ultimate **con game!** Ultimate, because there is no greater **con game** than one where you unknowingly stand to lose everything, including your money, property, wife and daughters, innocence, dignity, hopes and dreams, and ultimately, your eternal life. I mean we **laid it all** on the table, trusting you—whom we once believed to be the most important, the most compassionate, and the most righteous human being to walk the earth since Yahshua Messiah Himself! Yes, the stakes in your **con game** are high indeed. And now we know that we’re all your **victims**—every one of us! That is the perception of past members, now enjoying the true blessings of being freed from your **HOY MMM.**

Like everyone else, when I first came to the House, I thought that I had **proven all things.** However, during the course of the ensuing ten years, I constantly turned my head away from a constant barrage of improprieties, and obvious signs of deceit and manipulation in very high places. **I was afraid to realize and I did not want to accept the fact** that I never really proved the HOY, Abilene, TX Inc. to be the “pillar and ground of the truth.” To the contrary, now I’ve proven that your so-called **pillar will soon hit the ground, and that is the truth!**

Twenty years and running, you’ve successfully manipulated Yahweh’s people with your ongoing and ever-changing fraudulent schemes and activities. Quoting an excerpt from your deceased brother, Elder Jacob Hawkins’ famous letter (a copy of which I will send to anyone upon request) written to Sister Nancy, dated August 4, 1986:

*“You ask was Bill to carry on this work in Abilene. Yes, he was. But he did not. **He deceived me** into thinking he would. I have all the letters he wrote against this work here after **he was ordained by Oscar Alexander and me.** He was ordained for that purpose, to be a Minister for **The House of Yahweh in Odessa, in Abilene.**”[end quote]*

This single paragraph illustrates three significant points: 1) You were ordained **by your brother Jacob and Oscar Alexander**; 2) you were to carry on **the Work of The House of Yahweh, Odessa**, overseeing the Abilene branch of the Work; 3) **You deceived your very own brother** by making him believe that you would comply with the purpose for which you were ordained. Pastor Yisrayl, we all know you are a human being and subject to making mistakes, but **your continual deliberate harmful intent is blatantly sinful!**

Continuing with another paragraph quoted from Elder Jacob’s letter to Sister Nancy:

*“I am sorry that you folks found out the hard way about that thing in Abilene. That whole thing up there has been **a deception from the very beginning**. I wrote you over two years ago and explained how Bill, right after he was ordained, set into take over The House of Yahweh and pull everything and everyone up to Abilene.”[end quote]*

Apparently, from very early on, you have been a deceiver—a master manipulator—methodically and systematically **mesmerizing** while **victimizing** the unsuspecting, including the very elders that ordained you into the true Work of Yahweh! Once again, I tip my hat to your superior **cunning** and **conning**. Take for example your deceptive teaching and practice of one being sealed in Yahweh’s family by an ear-piercing and made-up recital, supposedly derived from **Exodus 21:2-11** and **Deuteronomy 15:12-18**. To begin with, Yahweh does not look upon us, His sons and daughters as servants, so it would be absolutely ludicrous for any one of us to make an eternal vow of slavery: **Hebrews 3:1-2, 12:5-9; Romans 8:14-21; Galatians 3:26; Ephesians 1:5, 5:1; I Yahchanan 4:4**. Secondly, the ear-piercing procedure has nothing at all to do with Yahweh sealing one in His family. He seals each of us by the Holy Spirit, and through our obedience to His Laws: **Ephesians 1:12-14; II Corinthians 1:21-22; Ephesians 4:30**.

The Law lays out the purpose and procedure for piercing the ear of a flesh and blood servant. Simply stated, a prospective flesh and blood ruler buys a flesh and blood man or woman, creating a flesh and blood ruler/servant relationship. After serving the ruler for six years, the servant can choose to go out free, or remain with the ruler for life. The servant’s choice to remain commences the awl ear-piercing procedure. It’s all there in black and white—no hidden spiritual or metaphoric code or meaning, accept the **HOY MMM** scheme you conjured.

Question: *Did you ever actually buy a so-called Hebrew servant or maidservant? If you did, then from whom did you make each purchase? After the purchase, did each of them serve the required amount of time according to the Law (six years) before they could “go out free without paying anything”? And if any of your servants chose to “go out free without paying anything” after their fulfilling the Lawfully required time, did you actually let them go out free without paying anything, and furthermore, when you released them, did you supply them liberally from your flock, from your threshing floor, and from your winepress (**Deuteronomy 15:13-14**)?*

Question: *How many of these servants did you purchase who “came in” with wives? And if they did come in with wives, did you let any of these servants go out free for nothing, and did you allow their wives to go out with them?*

You have robbed many men of their wives and children. You have shown them the

Peaceful Solution to troubled marriages. Poor guys, they did not know that they were competing with the “smartest man in the world.” We know about you and Dr. Abby from Michigan, whose brother had to go there and help her cart off as much of her property as they could in flight. We know about Deacon Nicayah & his wife (Mr. & Mrs. Gus Rice from Ohio). How Elder Shaul reprimanded him for acquiring a state issued marriage certificate for himself and his wife-to-be. And your desperate attempts at stealing her, by trying to convince her that it was Yahweh’s will for her to become your wife and the **HOY MMM’s** attorney. She was not buying into that lunacy. As his counselor, Deacon Nicayah tried to convince me that you were constantly calling his wife while he was home, but I refused to believe it because **you say you are the witness**, even though I knew this man would never lie to me!

We know that Cecilia Deyarmin from Pittsburgh, Pennsylvania was truly loved by her lawfully (marriage certificate) wedded husband. But through your appeal to Cecilia’s business savvy, she was convinced that only you could be her righteous head. You say that worldly marriages are not valid in the eyes of Yahweh. But, in **Genesis 39:8-9**, we read the words of the Patriarch, Yahseph: “My owner does not concern himself with what I do in his house, and he has committed all that he has to my care. No one is greater in this house than I *am*: nor has he kept back anything he has, except you, **because you are his wife**. How, then, could I **commit such great wickedness**, and **sin against Yahweh?**” Furthermore, was Yahseph himself married to a Hebrew woman, by a priest of Yahweh?

Cecilia Deyarmin later regretted following your instructions, which eventually led to her husband divorcing her. Then, to complete the crime, you coerced her into marrying you, although she admittedly loathed the idea of becoming your wife. Dr. Yahpha (Valda Byrd) Hawkins (another victim) is still legally married to Mr. Byrd, who resides in the same house with her and their children in Michigan. Mr. Byrd does not **yet** know that you and his wife are **acting like they do when she is at home**, when she attends Yahweh’s Feast, and between Feasts when the opportunity for adultery arises. The former Mrs. Deborah Weber’s husband, Elder Steve Weber—who was kicked out of the House—is not dead. So how could you and why did you marry his wife? Why do you continue to make adulterous whores of innocent women who only want to do what is right in Yahweh’s sight?

Let us not forget Mrs. Claudia Hutchison, who is the mother of your newly ordained elder, Simon Hawkins (Bret Sherwood). A **simple**-minded man, who as a deacon, stood up in the midst of the Queens, New York Holy Convocation and made a public display of his **simple**-mindedness and a total mockery of the authority in Yahweh’s House! He **simply** followed the instructions of my **fellow** Elders, Shaul and Malakzadok, who instructed him to secretly record everything I say. And when **simple** Simon refused my cordial request to turn off the tape recorder, commenced to embarrass the whole congregation, because they did not know that he was so **simple**. And for that, you

rewarded him the black kippah. Getting back to Mrs. Claudia Hutchison, who left her lawfully wedded husband in Massachusetts and took his biological young son and her U. S. patent for some kind of court reporting/transcribing device. Seeing more dollar signs and more flesh, you beguiled her into believing her endowments were an asset to the Work under your headship. Her son, Elder Simon and his wife Deaconess Sarah told my wife and me what you were planning to do with his mother before any of them moved down to Abilene. And when we told them it was unlawful for you and Mrs. Hutchison to pursue such a relationship, they dismissed our rebuke because only you, the self-proclaimed witness can interpret the Law!

By no means, can we overlook that certain child molester who is protected by you and your team players. We've communicated with valid sources and are convinced that all it will take to blow this thing wide open is for one parent **who is not afraid** to come forward and tell what this sexual pervert has done to their child! When he was arrested last year for an unrelated infraction, you did not delay in bailing him out of jail. You could not risk him talking to the authorities. I'm sure he has something on you and/or others that you cannot afford to be broadcast. But when the four illegal alien Trinidadian brothers were arrested on three separate occasions between Tabernacles 2001 and Tabernacles 2002, no one gave a damn about them. That is because they are just a bunch of poor useless "niggers" that you are willing to sacrifice for the good of the **HOY MMM**? That's right; I'm using a term that you and your team players use in private. If you can use words like **fuck, shit, bitch, bastard, pussy, cunt, cock, and dick** in the Holy Convocation, surely the word **nigger** comes very easily behind closed doors (and in **good** company).

The point is that these four men had suddenly become financial liabilities to the **HOY MMM**. It would be cheaper to let them rot in jail, and if they have any money or property, let it be devoured by the **HOY MMM**! I was told to my face by Elder Shaul that there was nothing we could do about Michayl Gittens' arrest during Pentecost 2002. Shaul and other elders criticized me for taking it upon myself to go and visit Deacon Michayl at the Abilene jailhouse rather than my teaching a Peaceful Solution Workshop for which I was scheduled. The purpose of your call to me more than a month later was strictly to assure Deacon Michayl's ability to pay back any money that the **HOY MMM** might shell out for his bail and any subsequent legal fees. And then there's Deacon Mattithyah (Hector Viera), whose \$3,500 remains in the clutches of the **HOY MMM**, after he was finally deported. He couldn't put the money in the bank, because he was here illegally, so he gave it to the **HOY MMM** to hold for him. I don't expect you would want to give it back to him, would you? After several months in jail, you finally paid bail for Deacon Yahseph Francis. But in fear for his life at the hands of your rigorous, gun-toting taskmasters, he ran away to safety. Almost any life would be better than slavery for the Work. What Work? Slave work, for only \$20.00 a week, at 16 hours a day. Elders say your slaves agree to work for that amount of money. But we know they have no choice

but to take it or leave it. You must free these slaves. Free their minds and their bodies will follow. Tell them that living there will not seal them or protect them from Tribulation. The Bible warns that only those who **escape** to Yerusalem, will be protected, not Abilene or Clyde! Teach them to obey the law of the land, as the Bible tells us to do. Tell them to go back home and spare themselves the humiliation of being arrested, incarcerated, and deported. They are prohibited from living here in the States without legal documented authorization. And tell all the illegal alien women that you shamelessly bed to go back home as well. Including Deaconess Sarah Menorah (Monica Richards), another one of your psychological, emotional, sexual, and circumstantial **victims**. For crying out loud, she is an illegal alien who came here on a student visa that expired long ago. She now holds a Ph.D. and would be much better off living comfortably in her native Jamaica or getting a visa by affiliating herself with a university in the U.S. But instead, you have defiled her with your deceptive and lustful entrapment. Conning her into giving up her innocence to you, knowing she was saving herself for a **young** loving and caring man who could give her **real** love, and make a life-long commitment to her.

You continue to seduce women of substance and strong capabilities to help build your little empire. That's what you had in mind for my wife. However, when you targeted Deaconess Hannah (Lori Schumann-Als), you made a very huge mistake. Although I had been pointing out discrepancies to her for almost one year, when you made your move on her, her eyes were suddenly wide open. **And she saw you for the piece of shit that you are. She would never take our daughter and run to you! You are a sad excuse for a witness, teacher, pastor, overseer, messiah, king, or man. I forgive you because I pity you, Buffalo Bill Hawkins. I am convinced that you hate yourself.** There is a term used to describe people like you and organizations like your House of Yahweh. We found these terms in a wonderful book, which we strongly recommend to you and all your **victims**—The Whole House of Yahweh, Abilene, TX Inc. Excerpted from that book, entitled **Captive Hearts Captive Minds—Freedom and Recovery from Cults and Abusive Relationships**, by Madeleine Landau Tobias and Janja Lalich, on page 5, I quote:

“From our **perspective**, a group **or** relationship earns the label “cult” or “cultic on the basis of its methods and behaviors, not on the basis of its beliefs. Those of us who oppose cults are often accused of wanting to deny individuals their freedoms, of being against religion. Yet what we are fighting against is precisely **the repression and stripping away of individual freedom that occurs in cults**. It is not beliefs that we oppose, **but the exploitative manipulation of a person's faith and trust in other human beings**. Cults use deception, manipulation, and psychologically coercive methods of persuasion (which we call “thought-reform techniques”) to attract, recruit, **convert, hold on to, and ultimately exploit their devotees.**” [end quote]

Excerpted from my first **Asking Abel** letter to you, which you still have not answered:

*“Under your direction, the name “Cyrus” was so cleverly taken out of two appropriate places in scripture. **IF** Cyrus can be translated to mean “uprightness/righteousness” in **Isayah 44:28** and in **Isayah 45:1** (according to the Book of Yahweh), then it should be translated the same way in **Ezrayah 1:1-2**. Isayah and Ezrayah are clearly describing the same man and the same event! Cyrus is his name and rebuilding the temple is his game (**Isayah 44:28**)! He is the king, to whom Yahweh has “**given all the kingdoms of the earth**” (**Ezrayah 1:2**), and the one “**whom I have taken by his right hand to subdue nations before him**” (**Isayah 45:1**). What kingdoms have you or will you be given, and what nations will you subdue? You’ve been given (by your greed) to subdue innocent victims, but not nations and kingdoms. Although Cyrus was not converted to Yahweh’s way, he was nevertheless Yahweh’s “**shepherd**” (**Isayah 44:28**), Yahweh’s “**anointed**” (**Isayah 45:1**), and Yahweh “**stirred**” his spirit (Cyrus’), so that His (Yahweh’s) purpose would be carried out! Clearly this event took place long ago, and could not possibly be a prophecy for today!” [end quote]*

Please note the word “**anointed**” in **Isayah 45:1**. It is listed in Strong’s Hebrew Concordance as word #4899—**mashiyach**, *maw-shee’-akh*; from 4886; *anointed*; usually a *consecrated* person (as a king, priest, or saint); **specifically the Messiah**: —anointed, Messiah.

Also, note that the name Cyrus in **Isayah 44:28**; **45:1**; and **Ezrayah 1:1-2** comes from Strong’s Hebrew Concordance word #3566—**Koresh**, *ko’-resh*; from the Pers; *Koresh* (or Cyrus), the Pers. king:—Cyrus.

You, Yisrayl Hawkins or Elder Yahoda—with your permission—replaced the name “**Cyrus**” with the term “**for uprightness**” in **Isayah 45:1**, subtly substituting you for Cyrus, the anointed king, who was essentially **the Messiah to the Hebrew people of his day!** He was inspired by Yahweh to direct the Hebrews to rebuild the temple! An event of that time, **not a prophesy for today!!!** You are not, and cannot be the ancient Cyrus/Koresh, Yahweh’s anointed (Messiah and King)! But you are indeed a close resemblance of the Koresh of the early 1980’s through 1993! And to illustrate how striking that resemblance, I quote again from that wonderful book entitled **Captive Hearts Captive Minds**, on pages 80-81:

“David Koresh, born Vernon Wayne Howell...joined a Branch Davidian sect led by the Roden family. Through **manipulation** and a variety of power plays, Koresh was able to wrest control of the group by **conning** and outwitting the leader, George Roden. In 1987 Roden challenged Koresh to see who had more divine power by bringing a deceased member back to life. When Roden exhumed the body, Koresh had him arrested for “corpse abuse”....

“While Roden was incarcerated Koresh took over the group and began using classic thought-reform techniques, such as **isolation...physical exhaustion through**

mindless activity and overwork...and phobia induction....

“Koresh clearly revealed his ***incapacity for love and sexual instability*** by bedding and “wedding” all the women in the group, including other men’s wives, and girls as young as 12 years old...His ***parasitic lifestyle*** allowed him to live off the earnings of others while he regarded himself as a biblical king, Christ himself.”[end quote]

Quoted from page 72-73 of ***Captive Hearts Captive Minds***, under the caption, “The Profile of a Psychopath,” we read:

“In reading the profile, bear in mind the three characteristics that Robert Lifton sees as common to a cultic situation:

1. A charismatic leader who...increasingly becomes the object of worship
2. A series of processes that can be associated with “coercive persuasion” or “thought reform”
3. The tendency toward manipulation from above...with exploitation—economic, sexual, or other—of often genuine seekers who bring idealism from below

“Based on the psychopathy checklists of Hervey Cleckley and Robert Hare, we now explore certain traits that are particularly pertinent to cult leaders. The 15 characteristics outlined below list features commonly found in those who become perpetrators of psychological and physical abuse. In the discussion we use the nomenclature “psychopath” and “cult leader” interchangeably...We present the checklist as a tool to help you label and ***demystify*** traits you may have noticed in your leader.

“1. Glibness/superficial charm: Glibness is a hallmark of psychopaths. ***They are able to use language effortlessly to beguile, confuse, and convince. They are captivating storytellers.*** They exude self-confidence and are able to spin a web that intrigues others and pulls them into the psychopath’s life. Most of all, they are persuasive. ***Frequently they have the capacity to destroy their critics verbally or disarm them emotionally.*** [As you so cleverly did to those eight elders in one fell swoop.]

“2. Manipulative and Conning: “Cult leaders do not recognize the individuality or rights of others, which makes all self-serving behaviors permissible. The hallmark of the psychopath is the psychopathic maneuver, which is essentially interpersonal manipulation ***“based on charm. The manipulator appears to be helpful, charming, even ingratiating or seductive, but is covertly hostile, domineering.... [The victim] is perceived as an aggressor, competitor, or merely as an instrument to be used... the manipulation inevitably becomes the end-all and is no longer qualified by the reality principle.”*** In other words, there are no checks on the psychopath’s behavior—anything goes. The psychopath divides the world into suckers, sinners, and himself. He

discharges powerful feelings of terror and rage by dominating and humiliating his victims. He is particularly successful when, through an overlay of charm, he makes an ally of his victim—a process sometimes described as emotional vampirism or emotional terrorism. Examples of this type of manipulation are plentiful in the literature of Jonestown and other cultic groups. It is especially prevalent in the one-on-one cultic relationship, where there is direct involvement with the manipulator.

“9. Callousness/lack of empathy: “Psychopaths readily take advantage of others, expressing utter contempt for anyone else’s feelings. Someone in distress is not important to them. Although intelligent, perceptive, and quite good at sizing people up, they make no real connections with others. They use their “people skills” to exploit, abuse, and wield power. Psychopaths are unable to empathize with the pain of their victims. Meanwhile, part of the victims’ denial system is the inability to believe that someone they love so much could consciously and callously hurt them. It therefore becomes easier to rationalize the leader’s behavior as necessary for the general or individual good. The alternative for the devotee would be to face the sudden and overwhelming awareness of being victimized, deceived, used. Such a realization would wound the person’s deepest sense of self, so as a means of self-protection the person denies the abuse. When and if the devotee becomes aware of the exploitation, it feels as though a tremendous evil has been done, a spiritual rape.” [end quote]

After talking with Elder Jacob Hawkins’ widow, Deaconess Riyyah Schneider (Elder Shaul’s first wife), suddenly made the only right decision. She immediately turned away from the House when Joacob’s widow told her that you were a con man when she first met you, and that has never changed. But the punch line is that when she first met you, you were only 12 years old. I’ve said it before in different words, but I am compelled to say it again. If our eternal life is predicated on the authenticity of your true ethnic origin, it behooves us all to have you show us proof positive that you are who you say you are! I say to you respectfully, Yisrayl Hawkins, put up, or shut up!

Why do you personally need more than a few social security numbers? Fraudulent use of social security numbers in this country is a crime. Every legal individual in this country is issued one social security number. And why is it necessary for you and Elder Chizqiyah (Charles Palmer) to assume each other’s identity when traveling in and out of the country? And what does Elder Chizqiyah’s wife, Jackie Palmer need with two sets of books? Why can’t she show the IRS the real set of books? You know—the set that shows all the real profits of the **HOY MMM**. Your approach was impeccably smooth. I mean, the way you came up here to New York City to make your mysterious address at the United Nations in 2000. Could you possibly send us a copy of that address?

Although its content is public domain, we haven’t been successful in acquiring a copy of the witness’ prophesied address to the nations. While you were here, you wined & dined Deaconess Chesedyah’s (Tanya Riley) and her husband, Deacon (at the time)

Malakzadok, (Devalle Hayes), setting them up for the kill. You swooped down on her \$700,000.00 inheritance left by her father like a **hawk**. She unwittingly tithed on her total inheritance, gave a hefty offering, and then fell into your illustrious excess 2nd tithe trap. As a former member of the Worldwide Church of God for ten years, I know that Herbert W. Armstrong invented that sham, and he too, was unable to provide substantial scriptural backing for this teaching. However, I think your way is better, because why should one demand only a tenth of the excess 2nd tithe (like Armstrong did) when one can do as you did, and demand the whole amount and get away with it? To add insult to injury, you convinced her husband to pay \$110,000.00 of her inheritance for land they thought they would own forever, along with its very own attached dilapidated house. They later found out that they had bought into a ten year lease, like so many others you have **victimized**—but its all for the Work!!!

Deaconess Asher (Theresa Joseph), wife of Elder David Hawkins Rowe (not Rowe Hawkins) from Brooklyn, New York, who received **monetary compensation** in the amount of between \$800,000.00 and \$900,000.00 or more, is yet another **victim** of your **cunning** and **conning**. No amount of money could ever truly compensate her for all the pain, discomfort, anguish, frustration, humiliation, and embarrassment she has suffered as result of a nearly deadly fire that produced third degree burns covering her face and much of her body. **Compensation** is not increase. And once again, increase is produce from the ground, and the offspring of flocks, herds, and fowl (not money)! This woman was lead to believe that the **monetary compensation** that she received was a titheable increase. **BUT IT WAS NOT!** Stop ripping Yahweh's people off! If her husband knew any better, he would have strongly encouraged his wife to spend her money on recapturing the beautiful woman that she once was. Instead, he follows your instructions by purchasing **massive quantities of unnecessary tribulation food and supplies that you will find a way of conning him out of** in the long run. Did you ever make things right with them by finally giving them a real deed for that land purchase? Someday Theresa Joseph and David Rowe will deeply regret ever coming to the House of Yahweh, whether this year, next year, or whenever you decide to pull your disappearing act. At that time, while Michayl and Shaul are fighting over who will run the **HOY MMM**, it will become evident to all your victims that you are the total con man—the “smartest man in the word.”

Thankfully, Elder Y Jeremyah (Daren Jeffries) refused to be **victimized** by you any further when he took his wife, children and all of his huge lawsuit allocation for compensation for all the pain, discomfort, frustration, and humiliation he suffered as result of severe burns over much of his face and body, due to a work-related accident. He found you out just in time.

There have been so many **victims** of your **HOY MMM** over the years. Wonderful, caring, loving, and supportive men and women of Yahweh, whose reputations you made every attempt to destroy, such as: Dr. Yahrapha (Carlton Lyons), Dr. Yahdah (Greg

Casey), Elder David Mrotek, Elder David Van Hoof, Dr. Raphayah (Gary Hayes), Elder Tselemyah (Don Stenz), Elder Yerayah Ben Yisrayl (J.R. Stone), Elder Steve Weber, and almost all of their lovely, righteous wives, and almost all of their much loved and cherished children, whom we all dearly miss. I say almost all because our dearly beloved Elder Steve Weber lost his wife and two of his children to you. How dare you take this man's wife and children? Just who do you think you are? And from where do you derive the power and authority to override Yahweh's commandments? How dare you corrupt all of these innocent women? We will continue to bring forth the many names of your **victims**, and expose the crimes you have committed against them. Those who remain in the House need to know what awaits them when their eyes are suddenly opened. By keeping the journal on-going, they will know that they are not alone, and that they should not feel ashamed for having been duped by the "**smartest man in the world.**" [*We're glad you made that self-proclamation*]

For your information and for your cheating, thieving, ex-convict (who will always be a convict at heart) side-kick Robert Mosheh, I present for all the House to see, the list of names of **victims** whose properties are still being unlawfully held against the owners' will on the 44 acres of the **HOY MMM**:

Dorothy Jean Daniels-Satabe and her husband, who have been separated from their property still being held on the 44, and who are also due a refund for the money they were cheated out of for what they were led to believe was the purchase of land from the **HOY MMM**, Manuel Yee (Hazayah), who owns a 1985 Alfa Gold, 26 foot fifth-wheel trailer, located near the Twin Peaks, David Als & Lori Schumann-Als, who own trailers and canopy (price of canopy still in dispute because of Robert Mosheh's usual thievery tactics) located at J-12 and J-12A, as well as food storage and supply container (small semi w/o wheels), located among full-sized semi's on south side of the 44, Onel Thompson, who owns two trailers and food storage held in the common food storage, Floyd Thompson, who is due a refund for money paid to you for purchase of land, but turned out to be for lease only, Cheryl Payne, who owns items in the common food storage, Earnestine Smith, Edgardo Ocasio, James Carroll & Donna Lambert-Carroll, Neal & Annette Lalgee, Paul Douglas, Pedro DeLeon, Hildred Powell, all of whom own trailers and/or food items held in the common food storage on the 44 acres, and others to be named later.

We will not give up and walk away like so many others have in the past. In the end, we will win, because we are crying out to our Father, who hears the cries of the oppressed.

As always, your son,

...a little man whom no one in the world knows or cares to know, other than the fact that he is a con man

Elder David Als Hawkins
